

# Service: Donate Shoes to Help Others

- Soles4Souls is a shoe donation organization that sends shoes to impoverished nations, where recipients clean and resell the shoes.
- The perks of this is that you mail them in for free and they keep shoes out of landfills. You are also providing a business opportunity for those who sell the shoes and low cost shoes for those who need them.
- Gather new or gently used shoes, put them in a box, and mail them to Soles4Souls.
- Click on their website to print free shipping label: <https://soles4souls.org/give-shoes/>
