

Eco Camper Checklist

- 1. Watch the Eco Camper video.*
- 2. Make a comic about the seven leave no trace principles.*
Draw it by hand or use a website like Storyboard Creator!
- 3. Design a camping meal plan.*
Remember to plan foods that are healthy and don't need refrigeration!
- 4. Draw a minimal impact camp site.*
Think about what styles of camping leave the smallest impact on the environment.
- 5. Take a hike with family!*
You can find some fun hikes on the camp website!

You can share your work on the Junior padlet page!
